Please plan to arrive between 7:15 and 7:30 am so that your booth is up and ready by 8:30 a.m. The event ending is TBD. You'll need to set up a booth or a tent, provide an activity, a game or something to engage the kids, and give away school supplies as their reward. We recommend that you try to bring enough supplies for at least 1,500 children. This is an excellent opportunity to get your employees/associates/ members working on a one day community service project. If you need to rent a tent, you may contact our vendor, **Event Rentals, at (865) 531-0269** or contact a vendor of your choosing. One table and two chairs will be provided to each booth. Contact Stacy Reed sreed@thekaul.org; 865-524-5511 with any questions. **Please forward completed form by Friday, July 9, 2021**
