Shoes for School is an annual back-to-school event that provides new shoes and school supplies to Knoxville area children. Each spring, we work with other non-profit agencies to help us identify and register children age 5-12 who most need the help. Purchasing shoes and school supplies for these children is a big undertaking, but seeing the delight on the kids' faces and knowing that providing these basic necessities helps them feel more comfortable and confident with their peers makes it all worthwhile.
